

## GO Team -- Texting for 2020

**Step #1.** Go to <https://napavalleydems.org/take-action-events/> and find the link to the **Go Team Tally Form** that you should fill out each day with the number of voters that you contacted through texting, postcard, phonebanking, canvassing, etc. [Bookmark the GO Team tally form](#) itself for logging your future activities:  
<https://docs.google.com/forms/d/e/1FAIpQLSeyuCOra227y40E3ZlkuMg1UIHavlMoWb1Gzrh-d4479do0w/viewform>

**Step #2** Decide on **ONE email** you will use for **ALL of your texting** and also use the **SAME password** for **ALL of the campaigns and platforms**. Your password should be 8-10 characters (including one capital letter, one lower case, and one number in your password and this should be good for all platforms.) Put these in your address book in your phone right away.

**Step #3** Decide which texting platform you want to join or the campaign you want to text for.

**Step #4** Take the steps required for that campaign and/or platform: a Zoom training, a quiz, etc. and then sign up for that campaign's texting platform as well as join their \*Slack workspace. Your name should be the same for both their texting platform and their Slack workspace, as should your password.

\*(Note: Slack is basically, the virtual campaign office where you will go to get your first assignment, ask questions, and where you can see what new campaigns are being offered.) **Bookmark a Slack site you join and you'll be able to go from one to all of your different Slack channels from there.**

**Step #5 Join the Napa Valley Dems Slack Channel:** Send an email to [napavalleydems1@gmail.com](mailto:napavalleydems1@gmail.com) to request to join our Slack site: [napavalleydems.slack.com](https://napavalleydems.slack.com)

**Tips:** Safari is not always compatible with the platforms, so you may need to download Chrome or Firefox. Smartphones may be usable on some platforms and not others, but it's much easier & faster on a computer or tablet.
