

# GO Team -- Texting for 2020

**Step #1.** Go to <https://napavalleydems.org/take-action-events/> and find the link to the **Go Team Tally Form** that you should fill out each day with the number of voters that you contacted through texting, postcard, phonebanking, canvassing, etc. [Bookmark the GO Team tally form](#) itself for logging your future activities:  
<https://docs.google.com/forms/d/e/1FAIpQLSeyuCOra227y40E3ZlkuMg1IUIHavlMoWb1Gzrh-d4479do0w/viewform>

**Step #2** Decide on **ONE email** you will use for **ALL of your texting** and also use the **SAME password** for **ALL of the campaigns and platforms**. Your password should be 8-10 characters (including one capital letter, one lower case, and one number in your password and this should be good for all platforms.) Put these in your address book in your phone right away.

**Step #3** Decide which texting platform you want to join or the campaign you want to text for.

**Step #4** Take the steps required for that campaign and/or platform: usually a video and/or presentation, a quiz, and then signing up for the \*Slack channel for that campaign/platform. \*(Note: Slack is simply a discussion site where you will go to get your first assignment, where you can ask questions, and where you can see what new campaigns are being offered. The new campaigns are at the top of the Slack page usually or in the texting channel.) **Bookmark a Slack site you join and you'll be able to go from one to all of your different Slack channels from there.**

**Step #5 Join the Napa Valley Dems Slack Channel:** Send an email to [napavalleydems1@gmail.com](mailto:napavalleydems1@gmail.com) to request to join our Slack site: [napavalleydems.slack.com](https://napavalleydems.slack.com)

**Tips:** Safari is not always compatible with the platforms, so you may need to download Chrome. Smartphones may be usable on some platforms, but it's much easier & faster on a computer or tablet.
